R-Core-X

R-Core-X elevates our standard R-Core collection of DH/Enduro riding gear to the next level. 4-way stretch materials along with additional weight saving materials and treatments result in our lightest weight, highest performing line of riding apparel.

Features

Jersey Features:

- Polyester/spandex mesh fabric to reduce body temperature
- Moisture management & anti-microbial properties
- Fade resistant sublimated graphics
- Contrast taping at shoulder, sleeve and body hem for weight reduction and comfort
- Drop tail provides increased coverage in riding position
- Internal goggle wipe keeps your eye protection clean

Pant Features:

- DWR polyester/spandex 4-way stretch woven fabric for increased comfort
- BOA System dial and lace technology for a lightweight, incrementally adjustable waist closure for the ideal fit
- Silicone or foil heat transfer graphics
- Silicone print on inner waistband to minimize slippage
- Laser perforations on inseam and behind the knees for increased airflow
- Zipper pockets for security of essentials
- Stabilization pocket to store device or tool
- Articulated knee for improved fit and movement

Short Features:

- DWR polyester/spandex 4-way stretch woven fabric for increased comfort
- BOA System dial and lace technology for a lightweight, incrementally adjustable waist closure for the ideal fit
- Silicone or foil heat transfer graphics
- Silicone print on inner waistband to minimize slippage
- Zipper pockets for security of essentials
- Stabilization pocket to store device or tool
- Short outseam length: 24" (Based on size 32)

R-Core Concept

When every split-second counts, an aerodynamic fit can make that difference. When paired up with the R-Core-X pant, the R-Core Concept jersey combo offers maximum mobility in the riding position. The two-piece unit starts with a poly/spandex long sleeve stretchable body topped off with a lightweight sleeveless Jersey for an aerodynamic fit and increased ventilation with full range of motion.

Features

Sleeveless Jersey Features:

- Polyester/spandex mesh fabric to reduce body temperature
- Moisture management & anti microbial properties
- Aerodynamic chassis
- Fade-resistant sublimated graphics
- Silicone heat transfers
- overlock Stitched neckline, arm holes and hem for weight reduction and comfort
- Internal goggle wipe keeps your eye protection clean
- Wear over the LS jersey or solo
- R-Core Concept Jersey Combo - Sleeveless Jersey and Long sleeve Jersey sold separately

Long Sleeve Jersey Features:

- Polyester/spandex jersey
- Moisture management properties
- Aerodynamic chassis
- Screen printed graphics
- Flat-locked seams to minimize chafing
- Wear under the bib or solo
